**Section 2.** In accordance with the above schedule, each employee shall receive pay at the straight time rate for regularly scheduled hours in advance for each calendar day of vacation that such employee shall be entitled to. Vacations shall be scheduled by the Employer in keeping with considerations related to seniority, workload and good staffing practices to insure efficient operation of their offices.

**Section 3.** An employee may request approval to carry over to the year immediately succeeding not more than the vacation time which was accrued that year. (Example: If you are entitled to fourteen (14) days this year, you can only carry over fourteen (14) days total to the next year, any more days than that will be lost.) Carry over will not be for more than a one (1) year period, pursuant to N.J.A.C.4A:6-1.2(e). The Township agrees to buy back any unused vacation days at a rate of 100%. The employee shall have the right to notify the Township prior to the vacation day that he does not wish to be called for work on his vacation day.

**Section 4.** Employees shall be entitled to request vacations in one (1) hour increments.

## **ARTICLE 17** **SICK LEAVE**

**Section 1.** "Sick Leave" shall mean the approved absence from post of duty by an employee because of illness, accident or exposure to contagious disease of the employee, or attendance by the employee upon a member of the employee's immediate family who is seriously ill, requiring the care or attendance of such employee. For the purpose of this Article, "immediately family" as defined in accordance WITH n.j.a.c.4a:1-1.3.

**Section 2.** Each employee shall be entitled to sick leave credits at the rate of one and one quarter (1 ¼) days per month from the date of employment to the end of the calendar year of hire. If separation from employment occurs before the end of said year, and the employee has used more sick leave than appropriate on a pro rata basis, he/she shall have an amount equal to his/her daily rate of pay deducted from his/her final pay, for each day of sick leave taken in excess of the number to which he/she was entitled.

- A. In the event an employee exhausts their sick leave for the year and is absent (an) additional day(s), any accrued but unused vacation or personal days will be used as an alternative to docking the employee's pay for this absence.

**Section 3.** Each employee will be credited with fifteen (15) days of sick leave annually for each succeeding calendar year of full time employment, which is cumulative. Accumulated sick leave shall be paid at the rate of one (1) day's pay for every two (2) days of unused accumulated sick leave time up to a maximum of six (6) months pay upon separation from Township service in good standing with a minimum of fifteen (15) years with the Township of Jefferson. In the event an employee terminates with less than fifteen (15) years of service or is terminated with less than fifteen (15) years of service or is terminated not in good standing, there shall be no right to the payment of accumulated sick leave. The Township of Jefferson shall have six (6) months from the date of said separation from service to make such payments. If upon termination from the Township's service, an employee has used more sick leave than that to which he/she is entitled, he/she shall have deducted from his/her final pay an amount equal to the daily rate of pay for each day of sick leave taken in excess of the number of sick days to which he/she is entitled.

**Section 4.** Each employee is required to notify his/her superior by one half (1/2) hour before starting time on each day of absence. Should the employee be unable to reach his/her superior, then the Township Administrator's office must be notified. It is recognized that there may be instances when it is impractical or impossible to give daily notice, as in the case when an employee is hospitalized or seriously disabled, in which case it shall be sufficient that the employee or member of the employee's family notify the superior or Township Administrator's office giving reason for absence and information as to the degree of illness or disability and the amount of time required for recuperation. Absent such instances, the daily requirements of notice shall be enforced. Failure to give notification as required will result in loss of sick leave for that day and may constitute cause for disciplinary action. Failure to report absences from duty for five (5) consecutive business days may constitute a resignation pursuant to New Jersey Civil Service Commission rules and regulations.

**Section 5.** A certificate from a reputable physician in attendance shall be required as proof of the need for leave of absence or the need for the employee's attendance

upon a member of the employee's immediately family. In the instance of leave of absence due to contagious disease a certificate from the Department of Health shall be required.

**Section 6.** Where an employee is absent from duty due to illness for less than five (5) days at one time, the Township may waive the required production of the physician's certificate. However, in the event of absence from duty due to illness for five (5) or more days at one time, the employee shall be required to submit a physician's certificate to his/her superior to justify payment of sick leave. An accumulative of ten (10) sick days, the days having been taken at various times, except as noted above may be approved without a physician's certificate. All sick time in excess of ten (10) days must be accounted for with a physician's certificate if the time is to be approved with pay. The Township may, in its discretion, require examination by a physician appointed by it, prior to allowing an employee to return to work. The Township may require visits to the Township nurse to the home of an employee on sick leave.

**Section 7.** Nothing contained in this Article 17 of the Agreement supersedes the employee's rights and responsibilities or the Township's obligations as set forth in the Township's family and medical leave policy.

**Section 8.** Nothing contained in this Article 17 of the agreement shall preclude participation in the Township's donated leave program.

If the employee's required absence exceeds the normal pay period, the Employee shall be required to report to the Treasurer's Office to make suitable arrangements for pension payments, insurance, hospitalization and other matters required during the leave period.

**Section 4.** In cases of emergency such as illness or accident involving members of the employee's immediate family, the Department Head and the Township Administrator may grant permission to the employee to leave the job and attend to such emergency.
